### **Doyle Announces GreatRebate for Henrietta Company** *Equipment Purchase Will Help J. MacKenzie Ltd. Create 4 new Jobs*

County Executive Jack Doyle today announced that Monroe County has approved a GreatRebate incentive for J. MacKenzie Ltd. in Henrietta. The GreatRebate will assist J. MacKenzie in the purchase of a Polar Guillotine Cutter, which will help the company expand its operations and create a projected four new jobs over the next two years.

“The GreatRebate program is one more tool that helps us create job opportunities,” said Doyle. “Our future will be defined by the strength of our local employers and Monroe County will continue to invest in programs that deliver good paying jobs.”

Under the GreatRebate program, applicants can qualify for a \$4,000 rebate for equipment purchases exceeding \$50,000 if they increase jobs by 10 percent over two years. The rebate will be paid at the end of the two-year period, once the required jobs have been created.

J. MacKenzie Ltd. is a custom paper converting operation that presently employs 35 people at its Commerce Drive facility in Henrietta.
